- **Helpful Tips:**
  - Avoid taking more than two or three history courses in the same semester because of the heavy reading, writing, and research requirements.
  - Take Hist Handwriting & Document course and Hist source electives before taking 439, 496R, and 490.

*Students must visit the FHSS Advisement Center (151 SWKT) to be cleared for this course prior to registering.

**Timely Graduation Policies:** In order to encourage timely progress towards graduation, advisement centers may require mandatory advisement before students are allowed to register for classes. Deans, in consultation with advisement centers, may also place registration holds and mandate specific course completion in order to facilitate a timely graduation (University Undergraduate Catalog).
