TOTAL MAJOR HOURS: **45-62**

- Because of the heavy reading and writing requirements in history courses, students should take no more than 2-3 history courses per semester.
- History 200 & 490 together will fulfill the University Core Advanced Written and Oral Communication requirement.
- Hist 201 & 202 will fill the University Core Civilization 1&2 requirement. Civilization courses from other departments do **not** count.
- At least 24 hours of history credit must be completed in residency at BYU’s Provo campus. BYU Independent Study courses do not count toward residency.
- Students who plan no formal education beyond the bachelor’s degree should take other courses that will enhance their employment opportunities. Consult a faculty advisor or your academic advisor for suggested minors, majors, and skills. Students are encouraged to take Student Development courses related to career planning.

**Timely Graduation Policies:** In order to encourage timely progress towards graduation, advisement centers may require mandatory advisement before students are allowed to register for classes. Deans, in consultation with advisement centers, may also place registration holds and mandate specific course completion in order to facilitate a timely graduation (University Undergraduate Catalog).
