**TOTAL MAJOR HOURS (including licensure hours):** 66

Major courses CANNOT be double-counted toward a minor or second major.

*Hist 201 and 202 will fill the GE History of Civilization requirement.
*Hist 200 and 490 together will fulfill the Advanced Writing requirement.

*Waivers based on Advanced Placement (AP) or other test scores DO NOT apply to this major.*

*At least 18 hours of History credit must be completed in residency at BYU’s Provo campus. BYU Independent Study does not count toward residency.

* Note that students must apply at least one semester prior to the semester they wish to begin taking the education courses. Prior to submitting an application, students must receive a B or higher in Hist 200 and two of the following: Hist 201, 202, 220 or 221. Education Application: [http://education.byu.edu/ted/secondary_forms.html](http://education.byu.edu/ted/secondary_forms.html)

*A teaching minor is NOT required for licensure. It is, however, strongly recommended. Consult with an advisor to determine which minor would be the best for you.*

**STUDENT TEACHING PREREQUISITES:**

**Teaching Major:** Complete at least 24 hours in your teaching major (or 36 hours in a composite teaching major). Some departments require more than this minimum before they will clear a candidate for student teaching.

**Teaching within a Minor:** Students requesting to student teach in the area of their teaching minor must (1) complete all minor course work before student teaching and (2) obtain written permission from the Teacher Education Department (215 MCKB, 422-4077) and the teaching minor department.

**Professional Education Courses:** Complete ScEd 276R (application to the program required before enrollment), 350, 353, 377, 378, 379, IP&T 286, and CPSE 402.

**Licensing Procedures**

Students are responsible for keeping the EAC informed of their progress toward licensure. If any changes are to be made in the licensing program outlined in the catalog, the student must prepare and circulate the necessary memoranda to obtain approval from both the academic major department and secondary education.

To avoid undue delay licensing, students are urged to arrange for a personal review of their EAC file well in advance of registering for their final semester, because completion of graduation requirements does not necessarily mean that all licensing requirements have been met.
