**Student Teaching Prerequisites:**

**Teaching Major:** All requirements, major, minor, GE, transfer work, and/or personal interest course work **MUST BE COMPLETE PRIOR TO THE BEGINNING** of the student teaching semester.

**Teaching Within a Minor:** Students requesting to student teach in the area of their teaching minor must (1) complete all minor course work before student teaching and (2) obtain written permission from the teaching major supervisor and the teaching minor department supervisor to be submitted with student teaching application.

**Professional Education Courses:** Complete ScEd 276R (application to the program required before enrollment), 350, 353, 377, 378, 379, IP&T 286, and CPSE 402.

**Licensing Procedures**

Students are responsible for keeping the EAC (120 MCKB) informed of their progress toward licensure. If any changes are to be made to the licensing program as outlined in the University Catalog, the student must prepare and circulate the necessary memoranda to obtain approval from both the academic major/minor department and Teacher Education.

To avoid undue delay licensing, students are urged to arrange for a personal review of their EAC file well in advance of registering for their final semester, because completion of graduation requirements does not mean all licensing requirements have been met.
