LICENSING PROCEDURES

Students are responsible for keeping the EAC (120 MCKB) informed of their progress toward licensure. If any changes are to be made to the licensing program as outlined in the University Catalog, the student must prepare and circulate the necessary memoranda to obtain approval from both the academic major/minor department and Teacher Education.

To avoid undue delay licensing, students are urged to arrange for a personal review of their EAC file well in advance of registering for their final semester, because completion of graduation requirements does not mean all licensing requirements have been met.
